DATA SCIENCE MASTER'S PROGRAM

Data Science Master's Program is designed to motivate students to complete the course in the most comfortable manner. The complete journey is set to be of **5 Months.**

Our Key Features of Hybrid Structure

SELF PACE LEARNING	24 X 7 SUPPORT	WEEKEND MENTORING	CLASSROOM SESSIONS	1 ON 1 MENTORING
Every week recorded content will be launched and then on the basis of that Quiz & Assignments are to be solved.	Now you don't need to worry if you get stuck on some questions at mid night. Our Tech Support is round the clock available.	Every week for concept revision and doubt solving our industry mentors will be taking live mentoring sessions online.	Our expert Faculty will be conducting in class session for discussing case study , project and solving doubts for 5-7 hrs once a month.	To keep a track of how our students are performing we have this 1 on 1 counselling session twice every month.
